Prayer Formats:

Intercessory Worship - A prayer format that blends Worship (Agreeing with God on who He says He is) and Intercession (Agreeing with God on what He says He wants to do)

Worship With The Word - A prayer format in which we use scripture blended with song to corporately worship the Lord and meditate on His Word.

Ministring to the Lord - A time of corporate worship of the Lord (with music and scripture) that is contemplative in nature.

Devotional - A time of quiet music designed for personal devotion.
